Withstanding Proclamation by Pocket

THE PRESUMPTION THAT

"I don't need privacy unless I Am hiding something."

WOULD BE AN ADMISSION THAT

"You don't need a badge and gun between Verified Reports of Crime."

- James "Pocket" Gabriel

I REMAIN LAWFUL AND FREE granted such orders not w i t h STANDING

This is the copyright protected intentional declaration by the artist/author/Creator expressed in the image as embedded lawfully with self-evident promise to secure and offer to contract with every person or representative entity which lawfully, commercially and spiritually witnesses the image and presently or since makes any effort to interpret meaningful or inadmissible statements made by the Author/Artist/Creator.

© 2025 James "Pocket" Gabriel. All Rights Reserved With Prejudice UCC §1-308.

In dismissal of any or all specific or enjoined claims by instruments or bills of inferior in communication and effected in secretive or subversive uses and usurpations of the common language against his person or associations and properties with intention to prove or cause harm, for private or public gain, is hereby prejudiced and dismissed by defacto agreements self-evident upon ponderance of penalty, enacted upon this Date June 18, 2025.

Additional Meaning:

By observing this image and interpreting its intended message, the observer becomes a lawful

witness. The Creator/Artist thereby establishes a perfected and secured covenant of authorship, proclamation, and standing - with lawful, philosophical, and spiritual effect - against all lesser claims under investigation, provided no evidence or credible injury or crime is shown to the contrary.

This covenant is not delegated to the United States Federal Government or reserved by the State of Georgia, nor Independent Agencies, Public or Private Persons, nor any other Individual claim, as A Covenant Perfected by Publication.
